7TH CALIFORNIA BEAUTY FETE DUE

A spectacular pageant of beauty featuring the most beautiful girls in Palm Springs will be held Friday, June 3, at the Palm Springs Riviera, and some Palm Springs Miss will win the honor of representing her city in the Miss California Beauty Pageant.

For the seventh year the Miss Palm Springs Beauty Pageant will be co-sponsored by The Daily Desert Sun and Irwin Schuman of the Riviera Hotel.

MISS PALM SPRINGS will be chosen by a panel of judges high in the fields of talent, beauty and physical culture, in a glittering production staged poolside at the luxurious Riviera Hotel.

The young woman who, on June 3, is crowned Miss Palm Springs will go on to represent Palm Springs in the State finals of the California Beauty Pageant to be held June 15-19 in Santa Monica, California. If she captures the Miss California title she will participate in the nationwide Miss Universe Beauty Pageants in Miami Beach, Florida.

BUT IF MISS PALM SPRINGS doesn't capture the Miss California title, she is given even greater opportunity in motion pictures, television and modeling.

Palm Springs has been represented in previous Miss California contests by such Palm Springs beauties as: Joanne Droste (1954-55); Patricia Pucunas (1955-56); Stephanie Bruton (1956-57); Karol Himes (1957-58); Darlene Daye (1958-59), and Gloria Neil (1959-60).

Dr. Blackstone To Attend Meet

The Rev. James H. Blackstone, Jr., minister of the Palm Springs Community Church, will be one of 50 United Presbyterian ministers and laymen from Southern California who will attend the 172nd General Assembly of the Church in Cleveland, May 18-25, and preliminary conferences on evangelism beginning Monday.

FOUR RIVERSIDE Presbytery delegates are the Reverend Blackstone; the Rev. Richard G. Elzinga, Hemet, and lay members Arthur Munson, Twentynine Palm, and Harry Reading, Upland.

The United Presbyterian General Assembly, which has met annually since 1789, is the focal

point of the groups activities on missions, Christian education, evangelism, and other brotherhood projects.

THE REVEREND Blackstone will fly to Cleveland Sunday for the conference, and Mrs. Blackstone will go by train. She will visit friends in Pittsburgh, where the couple first served, and join her husband in Cleveland during the conference.

The United Presbyterian Church, U. S. A., has 3 million members, and nearly 12,000 ministers. The Reverend and Mrs. Blackstone, who have been with the Palm Springs Community Church 15 years, will return here Saturday morning, May 28.

Candidates need not have a local sponsor; but can be sponsored by a local businessman, hotel or organization. Applications for a candidate can be secured at The Daily Desert Sun or Palm Springs Riviera Hotel.

GOP Candidate Out of Primary

RIVERSIDE — Failure to register early enough to conform to legal requirements knocked Hal Evry, Los Angeles college teacher and Riverside resident, out of the race for the Republican primary Assembly race.

Evry, who contended he could have won the nomination without support of the Republican party county organization, said "there is a strong tendency for me" to as-sail party "fuddy-duddyism," but concluded such a statement would hurt party chances in the fall.

Evry registered Feb. 26, filed as a candidate April 1. The county clerk reported the erstwhile candidate registered as an Independent in 1958, Republican in 1956, but failed to vote in either year. He was subsequently dropped from the registry.

Master Plan Returned to City Planners

Paisley Seconds Carlin Motion to Order Re-Study

Palm Springs City Council last night referred back to the Planning Commission the proposed Master Plan, with directions to restudy "certain inadequacies," following a public hearing in the council chambers.

In preparation and study for almost four years, the Master Plan set out the relative use of land as compared with the need and centralization of the residents.

COUNCILMAN HARRY Paisley, who seconded the motion by Councilwoman Mary Carlin to return the plan to the Planning Commission, said that he believed that the council "was moving too fast on the project, and that much more study was needed."

Protesting the plan as it was presented to the council last night, local Realtor Culver Nichols was joined by Helen MacCloon, owner of the Lazy Lodge, who was armed with a petition bearing 55 signatures of hotel people, in a bid to "strip zone" North Palm Canyon Drive commercial.

ALTHOUGH THE Master Plan is not a zoning map, residents of certain areas interpret it as having a bearing on the matter by protesting the exclusion of a certain color in specific areas.

The coloring of the map is done to better indicate the future growth pattern of the community and to set up standards which can be a guide to future growth.

Nichols contended that the failure of the map to show commercial zone on North Palm Canyon Drive is in reality an attempt of the city to "take away commercial zoning on the drive."

PLANNING DIRECTOR Herman Ranes answered that one has a right in perpetuity on land for zoning and a city can at any time change a zone, with or without a master plan.

The Master Plan acts as a guide to the Planning Commission and City Council in determining the location of shopping districts or centers, schools, parks, roads, residential and hotel uses as compared to one another.

Following the adoption of the Master Plan, the Planning Commission will then start deliberations on the new Palm Springs zoning ordinance, which today is under preparation by the Planning Department and special planning consultant Simon Eisner.

Rotarians Mark Hospital Week, Hear Henwood

Palm Springs Rotary Club marked Hospital Week at its luncheon meeting Wednesday at Chi Chi, with Robert Henwood, Desert Hospital administrator, as guest speaker.

There now are 1.5 million skilled employees in hospitals today, and there is a need for more and more daily, Henwood said.

By reducing the working hours the costs have increased, Henwood said, but that by adding more personnel with technical skills and with advanced medical science, it has been possible to reduce the average patient stay in "short term general hospitals" from 8.8 days in 1948 to less than five days in 1959.

Swiss Expel Two Red Diplomats

BERN, Switzerland (UPI) — Two Soviet diplomats caught spying on U. S. rocket bases in West Germany and Swiss radar installations were expelled today in what the government called the gravest case of Soviet espionage here since World War II.

While Switzerland tightened its security measures against Communist diplomats, the two Russian spies boarded a Czechoslovak plane with their family and took off from Zurich for Prague. They carried flowers and waved gaily as they left.

In Arizona Hospital

Rockefeller, Jr. Succumbs at 86

TUCSON, Ariz. (UPI) — The body of John D. Rockefeller Jr., a philanthropist who gave nearly half a billion dollars away and still remained one of the world's richest men, will be buried in the family plot in New York state.

His sons, Nelson, governor of New York, and Laurance, said they planned to fly back to New York today to complete funeral arrangements preceding burial at Sleepy Hollow Cemetery in Tarrytown. His body rested in Arizona Funeral Home here.

NELSON SAID HIS stepmother, Mrs. Martha Baird Allen Rockefeller, took Rockefeller's death very hard. She was in deep mourning, he said. Martha and Rockefeller Jr. married in 1951, three years after the death of his first wife.

Rockefeller, known by many associates as "Mister Junior," died at the age of 86 Wednesday of pneumonia and heart strain in Tucson Medical Center.

HE HAD BEEN in failing health for some time and entered the hospital Monday.

A shy, retiring man, he devoted his life to his family and sharing his father's Standard Oil wealth.

RETARDED PLAN LAWS IN FORCE

The educational program for retarded children which will be requested for the Palm Springs Unified School District by the Palm Springs Foundation for Mentally Retarded Children, Incorporated, has broad legislative provision for maintenance.

Possibly the financing provisions are not as extensive as they might be.

ONE OFFICIAL of a California hospital told the Desert Sun this past week that some children are apparently placed in hospitals not because 24 hour care is required, but simply because there are no educational provisions for these children in most communities within the state.

There are not many provisions for educational facilities for most of them in the hospitals, either, he said. As an example, one of the smaller hospitals, with approximately 2,000 patients, has facilities for tailored academic programs for perhaps a 100 of the patients. Even workshop facilities are severely overtaxed.

THE COSTS of maintaining the children in hospitals are charged back to the county of residence, and hospitals seek to send the children home on leave or discharge as quickly as possible.

"They generally do better at home than they do in an institutional atmosphere," the spokesman said.

Legal provisions for aid to school districts with programs for the educable retarded children — required in school districts with 901 or more elementary average daily

attendance, and for high schools with 901 or more average daily attendance — includes reimbursement for "excess costs" for educating the children in the preceding fiscal year.

EXCESS COSTS are the difference between the total current expenditures — not capital expenses — for instruction of the children in special classes, and the average daily attendance costs for pupils in regular classes. Maximum excess is \$375 a year.

Excess costs include costs of specially certificated teachers and supplies. At the primary level, a minimum day of 200 minutes (three hours, 20 minutes) is stipulated for state aid, and 240 minutes in the elementary or high school level. During the class day, for educable students three hours must be with a specially certificated teacher, who may assist or counsel for a regular class for the children during the fourth hour for elementary and high school level pupils.

FOR TRAINABLE classes, a minimum day of 180 minutes is specified.

For trainable children, the state financial provisions allow up to \$670 per pupil in average daily attendance, plus a maximum of \$475 per pupil of a.d.a. for transportation costs.

Eisenhower Says Premier Can Back Out If He Wants

From UPI Wires

President Eisenhower indicated today that he will wait until he sees Russian Premier Nikita Khrushchev in Paris next week to decide whether or not he should cancel his scheduled June visit to Russia.

The President said, however, that if Khrushchev wants to follow up his highly critical remarks made in Moscow Wednesday by withdrawing his invitation, it will be all right with Eisenhower and the time can be easily utilized elsewhere.

THE PRESIDENT'S comment on Khrushchev's remarks were made to 17 GOP congressmen attending another in a series of White House breakfasts.

The congressmen reported that the President said that Khrushchev will have to withdraw his invitation in a face to face meeting at the summit in Paris next week before Eisenhower cancels his plans to go to Moscow.

ACCORDING TO THE breakfast guests, two subjects dominated the conversation this morning. They were Eisenhower's continued hopes for some degree of progress toward peace at the summit meeting and the remarks Wednesday of the Soviet Premier who told reporters in Moscow he would be "mad" if he asked the Russian people to welcome a man who had sent espionage planes over the Soviet Union.

IN MOSCOW, Premier Nikita Khrushchev said in a statement passed today by censors that further American reconnaissance flights over Russia might lead to an atomic war. He said the pilot of a spy plane downed by Russia would be tried as a spy.

Newsmen asked him at an impromptu press conference Wednesday what would happen to Francis G. Powers, 30, Albany, Ga., pilot of a U2 reconnaissance jet shot down May 1 near Sverdlovsk, 1,300 miles inside Russia.

"We shall try him, try him severely as a spy," Khrushchev said.

IN LONDON, Moscow Radio today labeled U. S. aerial espionage as the "Herter Doctrine" and said it suspected the United States soon would send an armed nuclear bomber flying over the Soviet Union.

"We shall try him, try him severely as a spy," Khrushchev said.

CC Ladies Fete Mrs. Keller

By JEAN PATANE

Mrs. Adrian Keller was guest of honor at the luncheon preceding the final meeting of the Women's Association of the Cathedral City Community Church, held Tuesday afternoon at the church on Cathedral Canyon Drive. The travel theme was carried out in the table decorations with ribbons leading from the center candle to candles around the table marking the places Mr. and Mrs. Keller plan to visit during their year abroad: Miniature planes, boats and cars added interest to the decor.

The Kellers plan to leave by car Saturday for Albuquerque, where they will spend a few days at the home of their son and family Mr. and Mrs. Robert Keller. From there they will take the plane to Keosha, Mo., to visit with their daughter and family the Albert Carters. Then by plane to New York, and on June 1 they are scheduled to leave via jet for London. They plan an extended visit with another daughter and family, Maj. and Mrs. James B. Norton, who have been in England for a year or more. Before returning they hope to enjoy a leisurely tour of the continent.

For the first time in twelve years, Mrs. Harry Estel attended the home coming activities of her high school in Atascadero. The weekend of April 30 she was the houseguest of her school friends.

Dear Abby... by Abigail VanBuren

DEAR ABBY: I have a bad case of "mother-in-law-itis." She gets my husband in a corner and finds out how much we paid for our curtains, how much he made last week and if he ever sends my folks any money. She doesn't want to know for herself, but just so she can tell everyone else, and that old busy-body gets more coverage than this newspaper. She opens my mail, goes through my dresser drawers and looks in my medicine cabinet. So far I have held my tongue, but one of these days I am going to speak up. Can I be blamed?

HAD IT

DEAR HAD IT: Your husband does not have to answer all Mama's questions. Granted, your mother-in-law is nosy, but don't blame her if your husband doesn't know where obedience to his mother ends, and loyalty to his wife begins.

DEAR ABBY: I am in love with two boys and don't know which one to marry.

First there's Andy. He's sort of blond and sells insurance. Mama likes him, which helps a lot. He's very reliable and seems anxious to get married.

Then there's Tony. He's dark and sort of gives me the creeps. (But they're awfully nice creeps, if you know what I mean.)

I don't know which one I like best. In the daytime I like Andy, but I believe I like Tony better at night. Which one do you think would make the best husband for me?

ANDY OR TONY?

DEAR "ANDY OR TONY?": Don't marry either one, if it's a toss-up. Date others and make comparisons. When "The One" comes along, you'll flip your lid—not a coin.

DEAR ABBY: The woman who signed herself "HELENE" and said she wanted to divorce her husband because he might go blind at any moment was blind herself. Blind people can live happy, normal lives.

I am 13, Abby, but I know what I am talking about because my father is blind. He has never seen my mother, my sister or me. He went to college after he lost his sight and then he went to Law School. I don't mean to boast, but I think he is the most wonderful father and lawyer in the whole world. Sincerely yours,

CYNTHIA JEANNE RAMSEY

County Requests Progress Report On Census Status

At the suggestion of Supervisor George Berkey the Board of Supervisors voted four to one this week to instruct the administrative officer to contact the Census Bureau and request a progress report on census taking throughout Riverside County.

Berkey said that according to the Board of Trade, census taking is lagging in some parts of the county, particularly in the Palm Springs area.

"Many of our subdivisions, giving us financial aid from federal and state governments are dependent on our population," explained Berkey, "and I'm concerned that we have our entire population counted."

Only Supervisor Fred McCall voted against the Census Bureau check. "I think the census takers are doing a fine job," he said. "I don't want any check in my district."

'Mr. Santa Claus,

Rarely do you find a man who devotes his entire time to helping others—especially when he himself is physically handicapped.

Such a man was Bob Byerly, who succumbed last week.

Day after day, year after year, Byerly would sit in his home working on toys to be presented through the Welfare and Friendly Aid at Christmas time to children who otherwise would not have a "Merry Christmas."

Even at his death, his room was filled with toys—being readied for Christmas 1960.

Thousands of children were given renewed hope and faith in humanity by

his efforts—at a time when they needed a boost. A child looks forward to Christmas as a happy time, and Byerly provided this with his efforts all through the year—year after year.

He was often referred to as "Mr. Santa Claus," and his efforts perhaps earned this designation. Children usually think of Santa Claus as returning from his toy distributing trip and immediately starting work for the following year. While Byerly left the distribution to members of the Welfare and Friendly Aid, he devoted his retired life to repairing toys.

Palm Springs has been a better place because of him. May his work and ideals be continued.

Foolish to Be Vigilant?

WASHINGTON, D. C. — You wouldn't want to be laughed at—would you? — for believing weird tales of Communists-in-Cuba? Graham Greene's book and movie, "Our Man in Havana," is quite a spoof on people who are gullible enough to suppose that the Reds would do things like building missile pads and training a Chinese military force within so short a distance of the ever-normal frivolities of Florida.

Surely Americans of 1960, on the eve of the Summit Meeting, aren't going to believe such fantastic goings-on?

WELL, LET'S NOT answer that one too quickly. A witness before the Senate Internal Security Subcommittee has told of an aircraft - missile runway in Cuba. It is said to be 12 miles long and twice the length of a football field in width.

The same witness recounted how Red Chinese agents are murdering Orientals in Havana. Red China is said to be substituting other Orientals with forged papers who will serve as guerrillas for the Communist Revolution of the Western Hemisphere.

THESE STORIES were told under oath by a very prejudiced witness who might, however, be telling the truth. He is Colonel Manuel Antonio Ugalde Carrillo, a former Cuban chief of military intelligence under the pre-Castro government. Having

heard the testimony, and studied it in transcript, I obtained these conflicting judgments from two highly respectable sources. Senator Tom Dodd (D. Conn.), Subcommittee Chairman: "The witnesses and their stories are credible."

A State Department official on Latin - American Affairs: "We don't put any credence in any of them."

THERE'S MORE here, I think, than merely paying your money—and taking your choice. For many years now (certainly ever since the Alger Hiss affair) Congressional Committees and the State Department have been on opposite sides of the Communists - under - the - bed controversy. The changing faces on Capitol Hill, at the White House and in Foggy Bottom have not altered the basic conflict.

Republicans in the 80th and 82nd Congresses — Richard Nixon and Joe McCarthy — were just as hot after Communists as Democrats Tom Dodd and Francis Walter are today. Both the Truman and Eisenhower Administrations have treated Communism near home with much the same unconcern. Only a few weeks ago Secretary Herter told his press conference that, while there are Communists in the Cuban government, Cuba itself is not a Communist country.

IT'S A PRETTY fine distinction. While Mr. Herter didn't name names, Colonel Carrillo did.

He identified these persons as follows:

Cuban Minister of State Raul Roa: "He is a founder of the Communist party in Cuba." Chief of Executive Committee of Cuban Institute of Agrarian Reform Antonio Nunez Jimenez: "One of the very clear brains in Cuban Communism."

SENORITA PASTORIA Nunez, head of the Cuban national lottery: "A militant Communist since the founding of the party in Cuba."

Minister of Education Armando Hart: "Leader of the Communist Youth in Cuba."

THESE ARE ONLY examples from a longish list. State Department officials will not agree on all, or most, of the specifically - named Communists in Cuba. But the same officials treat the stories of missile-pads and murderous intrigue as quite fantastic. In fact, the State Department tried to dissuade Chairman Dodd from hearing this sort of testimony in public. The attitude seems to be that Reds, although admittedly in power in Cuba, don't do such things that close to Miami. So let's not believe a word of it. Let's not be laughed at for our gullibility.

But this attitude could be a danger to us. It is a way of underestimating a proven enemy. The classic definition of the price of liberty hasn't changed a bit. It is still—eternal vigilance.

Getting Off to a Jolly Start

This Side Of The Sun

By Phat

Oh, would I had the power To read what I have written Then I wouldn't sit and gower, Say words that aren't fitin'

For instance, I have before me one 8 1/2 x 11 inch sheet of pure white paper.

It is covered on both sides with what purports to be handwriting. We tell everybody DO NOT WRITE ON BOTH SIDES OF THE PAPER — and then we do it ourselves.

Anyway, if this were written on only one side of the sheet, it still wouldn't translate.

SSN ANT NDD SPTS — That was a puzzler. Where to put the lost vowels and which ones. Finally remembered that SSN stood for season, ANT for ain't, NDD for ended and SPTS for sports. That meant that there is still a lot ahead of us to do and see. The 20th Annual City Senior Tennis tournament starts this weekend. O'Donnell Golf Club stages its annual Local Yokel event next week and Tamarisk Country Club hosts its annual Desert Rat tournament the following weekend.

THEN THERE is the annual Softball League which gets under way soon and the Little League and Minor League for the kids also ready to go.

Speaking of sports, this is the Winter Golf Capital of the World (Wntir Gif Cptl Wrld according to my notes).

So why not a golf team at the High School? We have many a potential young golfer in High School and they could make a showing, just like Seamus Numan's tennis teams have been doing and are doing, in tennis.

NW DT HTL Well that looked at first as if it might have something to do with excessive drinking and the DTs.

But there was a cryptic RMRS after it which reminded me to say something about rumors. I like rumors. In one of these columns you can report rumors and if you do it long enough ahead of time and nothing happens people won't remember anyway.

And if it does happen — you can point back with pride that you said so first weeks ago!

WHAT THIS IS ALL about is that I heard rumors that a downtown hotel, in the 200 block on Palm Canyon Drive, is working on a major expansion plan. As I hear it, there'll be many more rooms, modern decoration and when finished, the hotel will extend clear across the block from the Drive to Indian Avenue with entrances on both thoroughfares and the latest in everything.

Just when I don't know but I understand the plans are already well along.

PUNS, I KNOW, are atrocious. But I like this one. The guy had been in prison 25 years and then was given a parole.

As he emerged in the sunlight outside of San Quentin's gates, he shouted:

"I'm free! I'm free!" And a little monster standing by the roadside said: "So what? I'm four."

STAN DELAPLANE:

'Where West Begins'

"Out where the tail fin's a little longer. "Out where the gas is a little stronger. "And the radar says you're a little wronger. "That's where the West begins."

THOUGH PHOENIX, Arizona, started out as a horse - drawn town, it is now completely mechanized.

The city (now an estimated half million people) spreads over miles of cactus desert. I suppose there are official city limits. But everybody within 50 miles says: "I live in Phoenix."

SUCH VAST SPACES has put everybody on wheels. And even the moppets will not run to the corner grocery for a quart of milk unless they can do it by kiddie car.

In honor of the Old West, however, there are quantities of dude ranches and riding stables in the area.

This requires a peculiar dress — Porter's with a branch store at Scottsdale is probably the biggest all-Western store in the world.

THE DRESS REQUIRED is skin-tight blue jeans. (We are also getting jeans in beige, apple-green and lavender. But we call them "blue jeans" just the same.)

The jeans must be faded. There is a Phoenix cleaner who will fade them for you. You can do the same thing yourself by soaking them in salt water if you have the patience.

THE SHIRTS ARE Western-style. They have pearl buttons. Naturally, we have boots. High heeled boots.

This should be topped with a Western 10-gallon hat.

When we take our sugar to tea, she looks like she is ready to play in "Gunsmoke."

THIS GORGEOUS regalia, plus 100 per cent guaranteed desert sun, brings tourists galloping to Phoenix at the rate of

a million a year. A good many of them remain to live — it is my opinion that they cannot get their cowboy boots off and therefore HAVE to stay. You have no idea how these things can hang onto you feet.

THEY BUILD PLUSH desert houses among the cactus. They wear Indian jewelry and begin ordering their steaks rare.

They run a two-car household to get out to the stables to get on the horse. And in every way it is a most enriching sort of life.

NATURALLY, THIS has amazed the older natives who were grateful when they could sell Old Paint and get a Model - T Ford. (They sold Old Paint to the tourist riding stables and desert lots to the incoming Easterners. That's HOW the West began.)

They were amazed but gratified. To them it still looks like desert.

THE VERY BIGGEST electronic firms have moved into Phoenix. For a reason which I quote:

"One of our major problems was getting trained personnel. Everybody in the electronics business is stealing engineers from each other."

"NOW WHEN WE go East on what we call a 'personnel recruitment trip,' we just show the prospect a picture of those desert sunsets and a few girls in Western clothes. And the employes quits and comes to Phoenix to be a part-time cowboy!"

"Westerns on TV have done more for us than anything else. We really ought to pay them."

SUCH DAY DREAMING has done wonders for the electronics people. Been a flood of golden sunshine to the real estate men, the banks, the restaurants and the Phoenix stores.

The Chamber of Commerce people get all choked up when they tell you about it.

MIKE CONNOLLY:

'Kookienut Grove'

HOLLYWOOD — All during his nightclub stand at the Los Angeles Ambassador's Coconut Grove Milton Berle's billing outside the hotel read: "Mr. Television." I don't know if he's still "entitled to that title" but I do know Uncle Milton packed the place with his comedy capers during his all-too - short stay in a room described by most other comedians as "entirely too large for a comedian" (it seats 900 — it's tough for a funnyman to "reach" 900 customers). So successful indeed was Berle that they're now calling it the Kookienut Grove.

Dorothy Provine finished her final segment of The Alaskans and roared right into the starring spot in The Roaring '20s, another Warner - TV series. It replaces the same studio's Alaskans next season. Same studio contractee too, of course: Miss Provine.

IF YOU'VE BEEN wondering whatever happened to John Agar, Shirley Temple's first husband, during or before the recent actors' strike (or even AFTER) — the former actor has been busy as a writer. John just finished co-writing the pilot script for a proposed new series called Patton the Magician.

His co-author, who acts on the side as the leading lady for Tab Hunter in a soon-to-be series called Bachelor - At - Large, is Mary Tyler Moore. They describe the show they have wrought on their trusty typewriters as one compounded of magic, mystery, murder and mirth. I told them it sounds like The Thin Man with magic thrown in. They chimed, "You're right!"

ELVIS PRESLEY will put in a non - payola pluggola - type pitch on tomorrow's (May 12) Frank Sinatra special by singing two songs from his new record album: "Fame and Fortune" and "Stuck On You."

Keely Smith announced she was going to "take a solo vacation" in Europe. She didn't go. The rumors started rolling that she's staying because she and her ever - lovin' Louis Prima will pick up a big bundle of dough for two Ed Sullivan shows, June 5 and 12. When I queried Keely, she replied, "It's true about the Sullivan shows but they're not the reason I'm staying here. The bids for the Sullivan shows came AFTER I found I couldn't go — because I couldn't get reservations!"

DANNY THOMAS' summer replacement will be Talent Scouts. But with an Extra Added Attraction: Eddie Albert as emcee. Eddie's "Trailer" will be the June 2 Person to Person show with his wife, Margo. . . And now that the marriage of Stephanie and Efram Zimbalist Jr., is "officially" on the rocks, as announced by Ef himself, what are the producers of Person to Person going to do with their predated segment showing "the happily - married Ef and Steph?"

Arnold Schulman, the playwright who cleaned up with "Hole in the Head" on Broadway and in Hollywood, feels as though he has a real hole in his own head right now. He's kicking himself for walking out as writer of a new Broadway musical in favor of writing the new "Cimarron" screenplay at M-G-M. It took only one phone

call from the studio for Arnold to tear off to Tinseltown and leave Jerome Weidman to finish writing the "book" for a Manhattan smash called "Fiorello" that just won the Pulitzer Prize as the best theatrical work of the past year!

JANET LEIGH and Tony Curtis busted loose with a big housewarming brawl for themselves in their brand new home in Palm Springs. Unlike the crew on "High Time," the Curtises were ahead of schedule: the furniture hadn't arrived so they had to send out for something to accommodate their overflow list of sidown guests: 50 pillows.

You never know what you'll run into on a Hollywood beat. Even Royalty! This week the King and Queen of Nepal (getting the "10 tour" of Paramount, the studio that will shoot "The Mountain Is Young" in their own, their native land). Next month, King (I can spell it but I can't pronounce it (Phumiphon Adunet of Thailand (Siam for short) and his Queen.

THIS PAST WEEK it was Cecil Beaton, who isn't royalty but who IS the official court photographer at Buckingham Palace and who DID a jimdandy job of staging "My Fair Lady." A question, Your Royal Set Designing Majesty: Will the royal bride of Anthony Charles Robert Armstrong - Jones be allowed to cut loose from the rigid protocol of the Court of St. James calendar and kick up her heels in her groom's bohemian circle?

The tight - lipped answer, from Beaton: "Definitely no. Tony is the one who will have to forsake his bohemian circle and adjust himself to Princess Margaret's. He can't hold any salary job but can only be appointed an honorary figurehead for some cultural art. That is the sacrifice he is making on the altar of love — because he is tremendously imaginative and talented and would have gone far in his career as a photographer — although certainly not as far as he has traveled by marrying into England's royal family!"

Letters to the Editor

Editor The Desert Sun

Since the question of my legal residence was raised publicly, I have received many communications from my friends in Riverside and Imperial counties who seem to be confused about the statements printed in the press.

Having no opponent in the Primary Election, it is not my intention to engage in any political debate. However, it has become necessary for me to clear up some misunderstanding that appears to exist in the minds of many people in the 29th Congressional District.

I am submitting the following statement with the hope that, in the spirit of fair play, you will print it in full in a prominent place in your fine community newspaper.

These are the facts concerning my residence in Westmorland. I have lived in the Westmorland area for 30 years. Westmorland has been my home, is my home now and shall remain my home in the future. I have made my living in Westmorland. My business is in Westmorland.

I love the people of Westmorland, whom I served as judge for four years. The deepest longing of my heart is to always enjoy the companionship of my dear friends of many years standing in the community.

My duties as Congressman of the 29th Congressional District require me to stay in Washington while Congress is in session. I spent eight months in the Nation's Capital in 1957 and 1958, when Congress adjourned at the end of August. In 1959 my stay extended into the ninth month.

I live in Washington in a rented apartment on Connecticut Avenue.

While in the District, it is essential for me to divide my time between the two great counties, Riverside and Imperial. Westmorland has a population of 1,000

out of approximately 350,000 in the District as a whole. While I personally would love to reside in Westmorland all the time during recess it is not practical if I am to properly represent all of the people of my District. I have never owned a home in Westmorland. For 25 of the 30 years of my residence in the Westmorland area, I was engaged in farming and I lived on farms. When I was elected judge I gave up farming and moved into Westmorland, where I lived in different rented houses.

I continued to rent my last residence for two years after going to Congress, with the hope that I could stay there while I was in Imperial Valley. But I found it was not practical to use a house that had been vacant for many months for an occasional night's stay. All that was accomplished by my continuing to rent this house was that I was paying rent for an idle house and keeping someone else from renting and using it.

The California law is explicit concerning the legality of my

MOSCOW — Radio Moscow, discussing the American spy plane in a broadcast beamed to the United States:

"The Soviet Union, like any self-respecting country, is not going to stand by and let this kind of thing happen again."

"Espionage has been throughout recorded history an integral part of war. And no nation in the history of the world has practiced espionage more assiduously than Russia."

right to vote in my Westmorland precinct.

Section 5653 of the California Elections Code states: "A person does not gain or lose residence solely by reason of his presence or absence from a place while employed in the service of the United States."

It is not necessary under the law for a man to own a home in order to maintain legal residence and qualify as a voter.

The California Supreme Court ruled (page 635 of 78 Pac.): "If the voter had no intention of making the precinct into which he moved his home, but went there, for temporary purposes only, he did not gain a residence there, and consequently did not lose his legal residence in the precinct from which he moved, notwithstanding that he may not have had any certain house, room or place therein that he could call his home. That precinct continued to be his legal residence until he gained a legal residence elsewhere."

After it became necessary for my wife to leave Imperial Valley in 1941 for reasons of health, she bought a lot in the Hollywood hills. Later, a house was built on the lot. My wife is the owner of the house, where she has resided while teaching school in Los Angeles.

May I reiterate that half of my life has been spent in the 29th Congressional District. My roots were sunk long ago, and through three decades, I have shared the problems and experiences of the people of my District. I have literally hundreds of life long friends in both Riverside and Imperial counties. I share with them a deep love of our great area and a burning ambition to promote its progress and welfare. For 12 months of the year my thoughts are dedicated to this purpose.

FUN IN THE SUN

Freddie Opens Up His Heart

By GEORGE LAINE
All season Freddie Almaguer parked the automobiles for attendees of the Ferrall's Playhouse in Deep Well.

He parked cars of the famous, the not-so-famous and the run-of-the-Village citizenry with equal care and dexterity.

FREDDIE WATCHED, with mingled awe and interest, the groups that poured in and out of the theater and sometimes—usually on Monday dress rehearsal nights—he'd slip into the theater and watch from a far corner as the cast gave semblance to their effort.

Sometimes, when he wasn't too busy, he'd sit in someone's car and listen to the radio. (Freddie and I had a deal all season where he'd listen to my radio in return for watching my camera.)

Anyway, Freddie was sitting in the car of another friend on Tuesday night listening to the Ace Hudkins - Hap Trout combination. Freddie heard what he's suspected all along, how those nights when he'd only had a few cars to park had left the Ferralls with a seasonal deficit and that they were uncertain of their continuation of theater for 1961.

FREDDIE SHUT off the radio, got out of the car and walked to the pay phone. He dialed Ace poolside at the Riviera Hotel.

"Hi," said Ace, "who's this?"
"This is Freddie, the parking lot attendant at Ethel's," said Fred. "I'm calling about this 'Roundup' that's coming up next week."

"Yep," said Ace, "what do you want to tell us about it?"
"I don't want to tell anything," answered Fred.
"I JUST WANT TO buy two tickets."

"The \$20 price is pretty expensive," Ace countered.
"I know it," Fred said. "It'll be the most I've spent for a show in my life. But I've had a job all season because of the Ferralls and I've enjoyed my work because of them."

"That's one of the nicest things I've ever heard," said Ace, softly in a voice that showed obvious emotion. "Thanks a lot, Freddie."

THAT COULD HAVE been the end of the story, but there's still another facet you ought to know about.

Fred showed me his two tickets yesterday over at Ethel's Hideaway and you could see how proud he was. Then something hit me.

"Fred," your columnist asked, "who's going to park cars on the 21st?"
"I am," replied Fred with a smile.

Freddie isn't even going to get to use his \$20 worth of tickets.

Approved by Underwriters Laboratory
Water in pool is chemically analyzed. If necessary pure ice cream salt is added. In many pools this is unnecessary because every gallon of bottled chlorine previously used contains over 3 pounds of salt.
Every 6 months additional salt is added, due to the water lost in back flushing and evaporation. Water is sweet enough to drink.
Electrolysis breaks the salt molecules into neutral chlorine gas, immediately reacts with water to form "bleach." Your PH remains very steady and you will have a chlorine residual 24 hours a day every day.
Reduces acid requirements by 50% or more and no other chemicals are necessary.

INTIMATE APPAREL

A MELODY OF LOVELINESS themed the style show luncheon which the Women's Association of Community Church held Tuesday. Here Association president Mrs. Henry Passow, center, is shown with two of the member-models, Mrs. Frank Little, on left, and Mrs. Doak Davis, on right. (Desert Sun Photo)

Summer Fashions Shown

"Summer is an enchanting time" must have been the trend of thought when one hundred and fifty ladies gathered Tuesday noon time for the annual Women's Association Luncheon and Fashion Show at Palm Springs Community Church. The theme — "A Melody of Loveliness."

Gaily decked tables, splashed with fragrant garden flowers greeted the guests and set the mood for the exciting fashion show, which followed the delicious luncheon served the by ladies of the board.

Mrs. Ruth Passow, president of the Women's Association, presented Mrs. Margo Rogers (she is the wife of the Assistant Pastor) who led the devotionals.

Entertainment was assured when Mrs. Wynne Hammond, in her own inimitable manner, guided her group of talented young people and small fry into their special musical numbers.

The big moment of the afternoon came when The Desert Aire Shop of Cathedral City (owned by

Mrs. Gertrude Benoist) presented summer fashions, with Mrs. Lu Hull as commentator vividly forecasting the season's favorites in Milady's wardrobe. The gracious models who pirouetted to the music of Mrs. Della Grindlay in their fashionable frocks, with matching accessories, all designed to make summertime a glamorous time, were: Mesdames Corinne Campbell, Bea Davis, Nat Gresson, Clara Hancock, Alta Kerwin, Clara Lane, Lorna Little, Carrie Newton, Vera Nicholson and Norma Simonsen.

Mrs. Thompson Re-Elected President

Mrs. L. W. Thompson will be installed as president of the Palm Desert Woman's Club for a second term on May 19. Mrs. Thompson as a community leader is actively concerned with her church The Desert Humane Society, Red Cross and any other Palm Desert project that may need support. The past year has been a highly successful one for the Palm Desert Woman's Club and much of its success is credited to Mrs. Thompson's leadership.

Others elected to serve as officers for the next club year are Mesdames Roy McCall, 1st vice president; Charles Newcastle, 2nd vice president; Roy St. Leon, treasurer; L. C. Lewis, recording secretary; Harold Jensen, corresponding secretary.

The installation of officers will take place at Shadow Mountain Club after a 12:30 luncheon on Thursday, May 19th. Mrs. Anne Carpenter, a past president, will install the new board for the 1960-61 year, at this final meeting of the season.

RE-ELECTED to the presidency of Palm Desert Woman's Club, Mrs. L. W. Thompson and her board of officers will be installed on May 19. (Gilman Studio Photo)

Nutrition Subject for C.C.P-TA

"You and Your Diet" will be the subject of a talk by Dr. E. M. Brown of Rancho Mirage at the next Cathedral City Parent-Teacher Association meeting on Wednesday, May 18 at 8 p.m. in the school cafeteria.

Dr. Brown has studied nutrition for more than thirty years and says the first twenty were spent trying to correlate the many theories he ran across in his efforts to learn exactly how the human stomach reacts and assimilates food. He promises to simplify his finds, as he is deeply interested in good health for all.

Michael Arsulich, program chairman of Cathedral City P-TA, expects a hearty invitation to the public to attend and hear this outstanding authority on nutrition. The nominating committee will report at the business meeting, and refreshments will be served by room mothers.

Tripps Write of Europe

Vollie and Hazel Tripps, well-known among trailer residents and other Villagers (he is a free lance writer and handled public relations for the Palm Springs Trailer Rally) are in Europe for an indefinite stay and have written about their experiences.

It's a first time abroad for the Tripps so their first experiences have a fresh interest, taking the reader into the London fog and into the Low Countries when the tulips are spread in wild colors over hundreds of acres and to Belgium where they found a 30-story building under construction. They said they liked Holland and the friendly Belgians.

They followed the beautiful Moselle River, traveling for miles through the valley where grape vineyards cling to the steep hillsides, absorbing the sunshine that ripens them.

They have been to Munich, Heidelberg, and Vienna and visited the fantastic Schoenbrunn Palace, winter residence of the Hapsburgs when they ruled the country. They found it almost unbelievable that the cost of decorating one room in the 1440 room palace cost an estimated 70 million American dollars.

Europe is much larger than it seems, they comment, with every square mile packed with interest and excitement in sharp contrast to the wide open spaces of our own West.

So far, they write, that they have been treated with courtesy and kindness, have seen no "Yankee Go Home" signs, and have been "only moderately gyped."

Ahead of them lie Italy and France.

Diane Riley Working on 1960 Songfest

Diane Riley, daughter of Mr. and Mrs. Glenn G. Riley, 1133 Tachevah Drive, Palm Springs, is secretary of the publicity committee for the University of Southern California's Songfest of 1960, the largest student produced musical in America which will be presented Saturday evening, May 14, in the Hollywood Bowl.

Miss Riley, a 1959 graduate of Santa Ana high school, is a freshman majoring in journalism at SC. Her father is a general contractor in the Palm Springs area.

Songfest, now in its seventh year, features a series of musical numbers by student groups which compete for divisional trophies and a grand sweepstakes award. Guest conductor will be Johnny Green, internationally known composer and musical director. A panel of judges including Johnny Mercer and Jeff Alexander will select 18 winners.

Tickets for Songfest are available at \$1.00 and \$1.50 at SC or at the Hollywood Bowl Saturday evening.

BETA SIGMA PHI honored Mrs. Hilton McCabe as Mother of the Year, when they held their Mothers Day tea. Mrs. McCabe, second from left, is pictured with Mrs. Stephen Smith, left, and Mrs.

Francis Crocker, right, who have been similarly honored in previous years. With them is Mrs. Michael Pritchett, president of Sigma Gamma, the hostess chapter.

THE VOLLIE TRIPPS of Palm Springs who are on a 4-month European tour in the interests of the Palm Springs area Trailer Parks Inc. and the Chambers of Commerce of Palm Springs and Cathedral City, are pictured aboard the Hamburg-Atlantic Liner SS Hanseatic.

Los Compadres Moonlight Ride This Evening

Los Compadres members will hold a Moonlight Steak Ride to Smoke Tree Flats tonight, leaving the clubhouse at 6 p.m. Serving on the food committee are Anne and Elmo Purnell, Wanda and George Alles, Pat and Bill Roberts.

Members will be attending the Annual Overnight Ride of Whitey Keefer's Juniors; May 14-15; and Holidorado Days at Las Vegas, May 18-21.

Nominations have already been made and election of officers is scheduled for the June 7th meeting, when additional nominations may be made from the floor.

Choice of the nominating committee are: Charles Thomas, president; John Fincher, vice president; Mary Allred, treasurer; Betsy Ross, secretary; Whitey Keefer and Hoby Rounkles, directors.

Mrs. Hilton McCabe Named Sorority Mother of Year

Three local chapters of Beta Sigma Phi gathered Sunday afternoon at the home of Millie Herbert for the sorority's annual Mother's Day Tea. Sigma Gamma, Chi Theta, and Xi Theta Eta chapters honored Mrs. Hilton McCabe as their mother of the year. Born in Philadelphia, Mrs. McCabe is a Marlborough graduate and attended the University of Arizona. She has travelled in the Orient, Europe, Mexico, and Canada. Her family consists of two married daughters and two grandchildren, and a son who is a junior in Palm Springs High School. Through Mrs. McCabe's help and encouragement he became an Eagle Scout at the age of thirteen, and is a member of the Order of the Arrow. Her father's furniture manufacturing business in Philadelphia made the stand upon which the Liberty Bell now rests. She was a member of Junior League in Tucson and also

worked for Junior League in Los Angeles and Beverly Hills. She has been active in Girl Scout Work, has been a Den Mother, worked in Boy Scouts, an active supporter of P-TA, worked in Red Cross, Community Chest, and Cancer Drive. Although Mrs. McCabe has been offered many times the presidency of almost every organization she worked with, she always declines and works quietly and steadily, shying away from publicity for her work. She is very active in St. Paul's Episcopal Church, having been a member of the Service League, and treasurer of the Women's Guild.

After being introduced to sorority members and guests, Mrs. McCabe was presented with a bouquet of yellow roses and a crystal tray with the Beta Sigma Phi crest cut into it. Two past "Mothers of the year" were present: Mrs. Rosalie Crocker, 1956; and Mrs. Stephen Smith, 1959.

Mathews' Bat Paces Braves

Big Ed Hits Pair to Drive Runs;
Bucs Sink Dodgers With 5-Run Rally

By FRED DOWN, United Press International

That five-day layoff apparently was just what Ed Mathews and his muscular Milwaukee teammates needed to tune up their batting eyes.

The Braves fretted and fumed in enforced idleness since May 5 but they took out their anger on the St. Louis Cardinals with a 12-8 slugfest when they finally played a game Wednesday night. And Mathews, who was off to a slow start, looked like the 40-homer-a-year man he's been for four seasons.

Big Ed hit two homers, a single and a sacrifice fly to drive in five runs and lead a 13-hit Braves attack that also included homers by Wes Covington and Del Crandall. The outburst lifted Mathews' average to .323 and his fourth and fifth homers of the season raised his career total to 304.

SINCE STARTING the season Mathews has passed Rogers Hornsby and Chuck Klein on the all-time National League home run list and now ranks seventh. Warren Spahn was the beneficiary of the assault on six St. Louis pitchers.

The victory enabled the Braves to remain firmly planted in third place behind the front-running San Francisco Giants, who beat

the Philadelphia Phillies, 1-0, for their fifth straight win, and the Pittsburgh Pirates, who downed the Los Angeles Dodgers, 6-3, in other NL action.

The Detroit Tigers scored their second straight 1-0 victory over the Washington Senators on Al Kaline's 10th-inning homer and the Baltimore Orioles defeated the Kansas City A's, 5-3, in 10 innings in the American League.

SAM JONES struck out 11 batters in an overpowering two-hitter to go with a one-hitter and two three-hitters he previously had pitched in San Francisco's Candlestick Park. Both hits off Jones, who struck out five of the last seven batters, were slightly tainted. Jones himself walked with the bases filled in the second inning to force in the game's only run.

Elroy Face, who had lost three consecutive decisions, gained his first victory of the season when the Pirates scored three runs in the eighth and two in the ninth. Hal Smith's two-run single off Sandy Koufax tied the score at 3-3 in the eighth and Gino Cimoli followed with a single off Larry Sherry that put the Pirates in front.

FRANK LARY struck out seven and allowed only one walk and five hits to win over Pedro Ramos in a fine pitching duel. Ramos had fanned six and yielded only four hits until Kaline connected with two out in the 11th inning—his first hit in 14 times at bat. Jackie Brandt's two-run 10th-inning homer gave Baltimore relief pitcher Milt Pappas his second win after the Orioles had tied the score with two runs in the ninth. Barney Kufny suffered the defeat after Bud Daley carried a four-hitter into the ninth only to be kayaked by three straight singles.

GUILDFORD, England — Two American players were eliminated Wednesday in the Guildford hard courts tennis tournament. GARY GROSSMAN of the Palm Springs High School tennis squad who will compete in the California Interscholastic Federation Bee division semi-finals at Santa Ana Saturday. Grossman won in the preliminaries last weekend. The semi-finals are slated in the morning with the finals in the afternoon.

Indians, Cougars Meet in Tennis On Local Courts

With the Desert Valley League tennis title taken care of coach Seamus Nunan's Palm Springs High School tennis players were engaged in a practice match here with Beaumont High of the De Anza League this afternoon preparing for the California Interscholastic Federation state finals which will start May 20.

In the meantime squad members were engaged in play-offs for the Charles Farrell (Racquet Club owner) Trophy.

MEMBERS OF the squad also have entered the Palm Springs City Championship tournament which gets under way Saturday with the first round.

Outside of a non-league match with Chaffey Union High of the Montview League, the Indian netters have no more dual meets. The Chaffey match is scheduled for the local courts next Wednesday.

GARY GROSSMAN will represent Palm Springs High in the CIF Small School Bee tournament Saturday at Santa Ana.

First play in the Varsity tournament is slated for May 20 and Nunan believes the opponent will be Coronado. If they win this one they enter the CIF semi-finals on May 24.

The State Championship CIF matches are slated for May 27.

AGUILAR rolled series of 594-510-578 with a 180 handicap for his total.

Smith, Rougley Compete in CIF Semis Saturday

Bill Smith, winner of three events in last week's Desert Valley League track and field finals, and Jim Rougley who ran the 440 in 50.6 at the same meet will go to Whittier Saturday to compete in the Small School track and field semi-finals of the California Interscholastic Federation, at El Rancho High School, coach Don Smith of the Palm Springs High School track squad said today.

Rougley's 50.6 in the quarter compares favorably with the best prep school marks registered this year and he is expected to carry the Indians' colors into the CIF finals.

Smith won the 100 in 10.4, the 220 in 23.3 and the broad jump at 21 ft. 6 1/2 in.

Smith and Rougley were the only Indians who took first in the DVL meet.

Shooting a best ball 53, the foursome composed of Bernard Duffy, Fred Udell, William Wright and Ernest Clark, won the weekly men's tournament at O'Donnell Golf Club.

Scores were: 53-Bernard Duffy, Fred Udell, William Wright, Ernest Clark; 54-Ruben H. Peet, Frank DeBenedictis, Walter Fontana, George Morris; 57-H. T. Lewis, Harry Clatworthy, Tom Hain, Myrland Laswell, Ken Todd, Leo Owen, Dan Wray, Paul Jones.

Palmer 4-1 in Colonial Play At Fort Worth

Ben Hogan, 5-Time Winner, Quoted 7-1 As Second Choice

FORT WORTH, Tex. — UPI — Arnie Palmer may be about the saltiest thing around these days on the pro golf tour with some \$50,000 pocketed to date, but he's won less than a "grand" in five tries in the Colonial National Invitation tournament starting today.

That's why the Ligonier, Pa. pro would like to live up to his advance billing — as the 4 to 1 favorite to top the 54-player field in the \$30,000 affair that pays its champion \$5,000.

PALMER WAS FIRST invited here in 1955 — his first year as a pro after winning the 1954 National Amateur — and found Colonial's river-bordered, 7,014 yard layout a monster that ate up 312 strokes as he finished 43rd.

He whittled that down to 296 in 1956 and scored 298 in 1957, but could do no better than tie for 30th and 33rd, respectively.

It was 1958 before he broke into the money, shooting a 289. That earned him a tie for 12th and a \$662. Last season, he skidded to a 291, a tie for 19th and picked up only \$331.

BEN HOGAN, the hometown idol, who is the defending champion and who has won the Colonial crown five times, ranks next to Palmer in the oddsmakers' rating as a 7 to 1 choice.

The price-setters put an 8 to 1 tag on Dow Finsterwald's chances, 10 to 1 on Ken Venturi, Jay Hebert and Billy Casper and 12 to 1 on Julius Boros, Jack Burke, Doug Ford, Gene Littler, Cary Middlecoff and Mike Souchak.

Fullmer scored the biggest victory in his comparatively brief professional career Wednesday night by outpunching veteran Stefan Redl in a 10-round bout for Fullmer's home town.

Fullmer displayed many of the trademarks of his more famous brother Gene in carving out a victory. His bullying tactics and superior body-punching were the difference in the fight.

Referee Dale Markham gave the Utah fighter the nod 97-94 and two judges scored it 99-92 and 100-94 for Fullmer. UPI's score card favored Fullmer 97-95.

Gonzales Facing Suit by Kramer

LOS ANGELES — Pancho Gonzales, often as tightly-strung as his tennis rackets, faces a possible suit if he plays in a Tuscaloosa, Ala., tournament this weekend.

Myron McNamara, speaking for professional tennis tour promoter Jack Kramer, said Gonzales is under contract to play in a tournament in Melbourne, Australia, this weekend but left to return to the U. S.

Final DVL Game Here Tomorrow

Palm Springs High School baseballs close a not-so-good Desert Valley baseball season here tomorrow when they entertain Twenty-nine Palms High in the final encounter of the Desert Valley League.

The Indians are below the .500 mark with a 4-5 record. Twenty-nine Palms is without a win so far in DVL play.

Entries are coming in rapidly for the two final "Big" golf tournaments of the year which involve strictly local talent — the Local Yokels at O'Donnell Golf Club on May 17 and 18, next week, and the Desert Rat at Tamarisk Country Club May 21 and 22.

Both cover 36 holes or 72 holes play with prizes for low gross and low net in each.

Jack Sargent and Bill Ennis are co-defenders in Class A (0-14 handicaps) in the Local Yokel and Harold McAlister in Class B.

In Class A at Tamarisk (0-13) Harry Cirata is low gross defender and Eddie King, low net. In Class B, defending champion is Maynard Laswell, low gross, and Russell Wade, low net.

Approximately 100 local golfers are expected in each event.

Big Tenners Getting Well Paid, Charge

Sports Illustrated Says That Do or Die Spirit Worth Money

NEW YORK — UPI — Football players in the Big Ten Conference are paid to do or die for their teams every Saturday, the magazine Sports Illustrated charged today in an article printed in this week's issue.

"Many Big Ten football players are carried on the payrolls of industry at \$40 or \$50 weekly," the article said. "Sometimes they show up for work, and sometimes they stay in bed."

The magazine, without naming names or schools, also charged that alumni "angels" in the Big Ten secretly make weekly cash payments to some football players.

"One angel meets the players in the locker room after a game, shakes hands all around, and deposits bills ranging from \$10 to \$50 in the eager, sweaty palms," the article said. "At another school, football players receive unsigned envelopes in the Monday morning mail with their weekly honorarium enclosed."

The accusations were contained in an article dealing with the NCAA's drastic action last month against the University of Indiana, which was placed on probation for four years for allegedly violating recruiting rules.

U. S. Davis Cup Team Schedule Announced Today

NEW YORK — UPI — The Davis Cup Committee of the U.S. Lawn Tennis Assn. today announced the schedule for the 1960 American Zone eliminations.

The U.S. will meet Canada at Quebec City in the first round, July 15-17. The winner will then play Mexico at Mexico City in the second round, Aug. 6-8.

If the U.S. defeats Canada and Mexico, the American Zone final will be played at the Cleveland Skating Club, Cleveland, Ohio, Sept. 16 - 18. If Mexico beats the U.S. (or Canada), the final probably will take place in Mexico.

In other American zone ties, New Zealand and the British West Indies will meet in the first round either at Georgetown, British Guiana, or Caracas, Venezuela, July 15-17. Venezuela will play the winner in the second round at Caracas, July 22-24.

Ingo Credits His Physical Growth For New Power

GROSSINGER, N.Y. — Ingo-Grossinger Johannsson said today his impressive sparring sessions are a direct result of his advanced physical condition, rather than from any change in style.

"I'm more advanced in my condition now than at the same stage of training last year," he told the first group of sports writers to visit his training quarters here in the Catskill Mountains.

Preparing for his return title fight with Floyd Patterson on June 20, Ingo has been much more aggressive than he was last year when training for the first Patterson bout.

Valdez, Cervantes In Olympic Feature

LOS ANGELES — Danny Valdez seeks to regain the California featherweight title from Felix (Pelon) Cervantes tonight in a scheduled 12-round bout at Olympic Auditorium.

NEW BUSINESS MANAGER GREENSBORO, N. C. — UPI — James Hendy Jr. has been named business manager of the Greensboro Generals of the Eastern Amateur Hockey League.

RETURNS TO ALMA MATER MORAGA, Calif. — UPI — Andy Sloan, who was graduated from St. Mary's College in 1958, will return to the school next fall as freshman basketball coach.

REARDON PLAYS 'GOLD RUSH' LEAD

John Reardon, one of America's outstanding young opera stars, plays the singing lead as a miner in Agnes de Mille's "Gold Rush," which will be rebroadcast as the premiere program of the Revlon Spring Music Festival on the CBS Television Network Thursday, May 12 (10-11 p.m.).

Reardon, a handsome six-footer who usually sings clean-shaven with the New York City Opera, grew a beard for his "Gold Rush" role. As the program's balladeer, Reardon sings several songs about the problems, romantic and otherwise, of miners and their girls in '49er days.

Among them are "They Call the Wind Maria" and "Hand Me Down That Can of Beans," written by "My Fair Lady" songwriters Alan J. Lerner and Frederick Loewe, and "Go Miners, Go," "The Days of Old" and "Wait for the Wagon" — songs of the Gold Rush period for which new lyrics and additional music have been provided.

During five seasons with the famed New York City Opera, Reardon has sung leads in Menotti's "The Saint of Bleeker Street," Puccini's "Turandot" and many other works. He has toured the U. S.

in such productions as "La Boheme," "Don Pasquale," "Fanny," "Rose Marie" and "Damn Yankees."

During the coming summer, the versatile baritone is booked for opera and concert engagements in numerous cities across the country, among them Santa Fe, N. M., and Duluth, Minn., and in September he will again appear with the New York City Opera.

Slayers of Whole Family Sought

The desert wastes of Arizona form a torrid backdrop for the murder of an entire Chinese family on "Johnny Ringo" Thursday, May 12 (8:30 - 9 p.m.) on the CBS Television Network.

Don Durant stars in the series as gunfighter - turned - sheriff Johnny Ringo.

Ringo, tracking the killers of a Chinese family in the hot desert wastes of Arizona, suddenly finds himself ambushed by the men he seeks. Using a diabolical plan for Ringo's demise, the killers leave the lawmen exposed to the desert heat.
